

Health and Social Care NVQ Training

Unique delivery model for NVQ training, provides rapid results, high achievement rates and minimum disruption to the work environment.

Health and Social Care

NVQ Training

Unique Delivery Model

Our unique method of delivering NVQ's in the workplace, provides high achievement rates, in record time, with minimum disruption to the working environment. This highly successful model, that has been developed over the last 9 years working with some of the leading Care Providers in the UK, attracts a wide range of government funding and combines the following features

- "Award Winning" self study workbooks.
- Easy to follow candidate portfolios.
- Frequent visits and support from an occupationally qualified tutor/assessor.
- "Direct Claim Status" with the awarding body.

Using this method, an NVQ Level 2 in Health and Social Care can normally be delivered to a very high quality standard in just 3 months and an NVQ Level 3 in 6 months.

Benefits for the Employer

- Easy to maintain compliance levels (or targets).
- Short courses for minimum disruption.
- Continued staff development supports business growth and reduces staff turnover.
- High levels of government funding.

Benefits for the Candidates

- Achieve essential qualifications quickly and easily.
- Absorb new information in your own time and at your own pace.
- Enjoy continual and regular support from your tutor or assessor.
- Take further courses to develop your skills and promotion prospects.

Track Record

We have been delivering high quality training since 1999 and have an enviable record of high achievement rates working with some of the leading Care providers in the UK. References available from enquiries@netlearn.org.uk.

Delivery Team

Our delivery team of fully qualified Assessors/Tutors and Internal Verifiers provide national coverage of flexible delivery to the very highest standards of quality and customer service. A qualification in Teaching and Skills for Life, ensures they are fully qualified to provide the very best support for your NVQ candidates. Company vehicles, purpose designed for on-site NVQ assessment, complete the credentials of this highly professional team.

Award Winning Candidate Resources

A key element in our successful delivery model is the award winning workbooks and candidate portfolios. The workbooks explain in simple language and bite size sections, the underpinning knowledge needed for successful completion of the NVQ. This allows the candidate to absorb the information in their own time and at their own pace, with the support provided by their tutor/assessor. A short assessment at the end of each section allows the candidate and the assessor to monitor progress. Easy to follow Portfolios guide the candidate through the evidence they need to gather for the NVQ qualification

Rapid Certification of Achievement

Our sustained quality of delivery over the last 10 years has earned the coveted Direct Claim Status with leading awarding bodies, enabling us to certify candidate achievements shortly after completion.

Funding your Training

Access to a wide range of funding streams enables NLC clients to obtain financial support for most employee training irrespective of candidates previous qualifications. These include 1st and 2nd NVQ level 2's, Level 3s and level 4's.

Courses Available

- Health and Social Care Level 2
- Health and Social Care Level 3

Skills for Life

Many candidates take the opportunity to improve their literacy and/or numeracy skills and gain extra qualifications while achieving their NVQ. These are fully funded and embedded into the delivery of the NVQ programme.

Further Courses

Care workers who have completed NVQs in Health and Social Care or support staff and managers can take a wide range of other courses provided by NLC including:-

- Team Leading Level 2.
- Management Level 3.
- Customer Service Level 2 and 3.
- Business Administration Level 2 and 3.
- IAG (Providing Information Advice and Guidance) Level 2 and 3.
- Business Improvement Techniques Level 2 and 3.
